Pre-K Lead Teacher

Compensation: \$14.00- \$18.00 per hour

Kids Future Day Care Center is a brand new early childhood learning center opening in late winter 2019. We offer an awesome new facility working environment and benefits. We strive to bring high quality early education to all children.

We are currently seeking passionate and caring teacher to join our team. Position is open for 1 Pre-k teacher. All applicants must possess, or be in the process of earning a BA in Early Childhood Education and/or Associate of Arts concentration in Child Development.

Applicants must be dedicated, caring, enthusiastic, nurturing individuals, who have a passion working with children. Our center offers a beautiful facility and positive learning environment.

Responsibilities & Duties:

- Providing a fun, welcoming, warm and safe classroom environment
- Creating and implementing developmentally appropriate lesson plans using the creative curriculum and working collaboratively with co-teacher and coaching assistant teachers
- Completing assessments quarterly for each child, documenting and maintaining children portfolios.
- Excellent written, verbal and communication skills
- Consistent with progress, schedules, and individual achievement
- Professional daily interactions and active communication with children, co-workers and parents.
- Meeting and following the center's policies and procedures
- Attend seasonal events, monthly meetings, and professional development seminars as requested
- Be more proactive in quality service improvement and maintain classrooms according to DCFS standards
- Must have strong planning skills, maintain the physical environment of the classroom and be creative with classroom setting throughout different seasons
- Adhere to all policies in the current center handbook
- Support and model positive discipline
- Communicate with Director to identify or services children with disabilities

- Perform other duties, as may be required

Qualifications:

- Bachelor's Degree / Associate Degree in early childhood education or child development. A Master's degree or working toward a Master is preferred
- CPR and First Aid certified
- Proof of up to date physical, TB Test, and immunizations (within the last 6 months)
- Food Handlers Training Certificate is preferred
- Minimum 1-2 years of experience working with young children in a school or child care setting is preferred
- Applicants must be available Monday-Friday 7:00 am- 6:00 pm
- Employment Type: Full time

Benefits:

- Paid Vacations
- Paid Holidays
- Paid Trainings

Working Authorization:

- United States (Required)
